Translation

Evening

The little bird grows silent a
as the wind blows.
The small flower falls asleep
caressed by the dew.

Twilight blushes
as she kisses the night.
The forest trees sleep
in memory and silence.

They are wistful
for my song,
now a silent memory,
as it paddles far away.

Son de la Vida Jose Galvan

Translation:

To all I propose:
Let's enjoy life!

Do not suffer for the future,
The past is already a joke;
Better enjoy your present,
The present is what is real!

At times tears overwhelm me,
Because the heart aches;
But it already hurts less
When I sing this song!

When I have money,
I enjoy it wholeheartedly;
And when I have nothing
I still enjoy dancing to this song!

This is how we sing in Mexico,
With love and passion;
And the throat opens up
To give the heart away!

Refrain

Therefore, let's enjoy
The delicious sound of life!
