REPEAT FORGIVEN

When a student retakes a class, the highest grade earned for that class is factored into the student's GPA. If there is an **R** next to the class on the transcript, it denotes repeat forgiven and that grade is not factored into the GPA.

GPA

Unweighted Cumulative	Students GPAs are calculated on the 4-point scale regardless of whether or not the course is an AP or post-secondary course.
Adjusted	Students earn GPA bonus points of .002 for each credit earned in AP and post-secondary courses in which students receive an A, B, or C grade.
Weighted Cumulative	Students earn GPA bonus points of 1.0 for each credit earned in AP and post-secondary courses in which students receive an A, B, or C grade. The GPA is weighted on a 4.0 scale.

CLASS RANK

Class rank is calculated based on a student's adjusted GPA.
 Top 10% GPA = 4.089 - 4.36
 Top 20% GPA = 3.47 - 4.36
 Top 50% GPA = 3.371 - 4.36
