**Club News**

**Climate Action in Fort Collins Club**

“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.”  
- Margaret Mead

**What is this club?**  
We are a student-led club educating the community about the Climate Crisis. We help individuals initiate meaningful ideas to mitigate and adapt to the Climate Crisis.

**How can I help improve the Climate Crisis?**  
Closing your curtains at night and leaving them opening during the day helps keep your house warm, but it also helps with the harmful light pollution that pours out of our houses. This pollution is incredibly harmful to the animals, particularly the bugs, that live in our neighborhoods.

From the Health Office

We are still working to make sure that all Rocky students are compliant with their immunizations. If you have signed an exemption in the past, and plan to do so again, please check and be sure that you signed a new one for this year. If your student has received immunizations, please update their health record at school. We are happy to check your student’s records at school and let you know if he/she is compliant.

Athletics

Season B athletic activities are competitive cheer, competitive dance, girls basketball, boys basketball, unified basketball, unified cheer, ice hockey, girls swimming/diving, wrestling and girls wrestling. is in full swing.

Per Larimer County & PSD mandates, no spectators are allowed at any event until further notice. Only coaches, teams and “essential personnel” will be allowed to be in the gym for any gym events.

The good news is, all of our home events in the main gym (V & JV games) will be streamed on the NFHS network (https://www.nfhsnetwork.com/). Subscriptions can be purchased annually for $69.99 or monthly for $10.99. This will include streams of all events in the main gym of RMHS all year (boys basketball, girls basketball, wrestling, volleyball...).

Events in the aux gym or small gym will also be streamed on Facebook live (www.Facebook.com/rmhslobos) brought to you by our Student Council. All home lower-level basketball games for boys and girls basketball will be streamed on this Facebook page, as well as wrestling matches that occur outside of the main gym. To get onto Facebook, go to the address above and “like” the page. Once you do that you just have to return to that page on Facebook before any event you want to watch to find the live stream.

Unified Events can be found on Facebook live.

Black History Month

Rocky's School Psychologists Celebrate Black History Month

February is Black History Month and our Rocky school psychology team, Drs. Melanie Potyondy and Brad Reimers and school psychology extern Candice Pedroza, is taking advantage of this time to celebrate the accomplishments and contributions of Black Americans. We are also refocusing our efforts on equity and inclusion here at Rocky. We encourage our Lobo family to review the linked Black History Month resources from the American Psychological Association and to reflect on the active steps you and your family are taking to ensure safe, just, healthy, and encouraging partnerships in our community.

PI Celebrates Black History Month - American Psychological Association

In honor of Black History Month, the Public Interest Directorate highlights prominent African-American psychologists such as Inez Prosser, PhD, and APA contributions to racial equality, such as hosting Martin Luther King, Jr. as a key speaker at the 1967 Annual Convention.

MENTAL HEALTH MATTERS PRESENTS:

2021

THE UPSIDE OF STRESS

Are you experiencing Covid fatigue? Would you like to “tend and befriend” or “excite and delight” in stress to make it work for you? Join Amanda Brantley, Poudre School District Wellness Coordinator, and Heidi Thompson, school counselor at Olander Elementary, for “Stress School.”

Learn how you and your student can reframe your stress, renew your resilience, restore your energy, and revive your relationships. This interactive evening will focus on how our perceptions and practices contribute to our health and wellbeing. Simply by changing our mindset about stress, we can form habits that build our resilience and add tools to our toolbox to modulate our “stressometers” in school, in the workplace, and at home.

FEBRUARY 18, 2021
6:30-8:30PM

SCAN THE QR CODE TO THE LEFT TO REGISTER FOR THE EVENT. YOU WILL BE SENT A LINK ON THE DAY OF THE EVENT OR YOU CAN FIND THE LINK ON THE PSD HOMEPAGE (HOLD YOUR PHONE CAMERA UP TO THE GRID AND A LINK WILL APPEAR)

MENTAL HEALTH MATTERS PRESENTS:

THE UPSIDE OF STRESS

¿Está experimentando fatiga por Covid? ¿Le gustaría “atender y hacerse amigo” o “emocionar y deleitarse” con el estrés para que funcione para usted? Únase a Amanda Brantley, coordinadora de bienestar del distrito escolar de Poudre, y a Heidi Thompson, consejera escolar de la escuela primaria Olander, para “Stress School”.

Aprenda cómo usted y su estudiante pueden replantear su estrés, renovar su resiliencia, restaurar su energía y revivir sus relaciones. Esta noche interactiva se centrará en cómo nuestras percepciones y prácticas contribuyen a nuestra salud y bienestar. Simplemente cambiando nuestra mentalidad sobre el estrés, podemos formar hábitos que fortalezcan nuestra capacidad de recuperación y agregar herramientas a nuestra caja de herramientas para modular nuestros “medidores de estrés” en la escuela, en el lugar de trabajo y en el hogar.
